

CigaretteBuster™ with Text Messaging

Model xx60 Series

User Instructions

Congratulations on your purchase of a CigaretteBuster™ with SMS Text Message output to enforce your smoking rules!

1. Unpack box carefully.
2. **Read all enclosed instructions.**
3. Charge the cell phone for at least 2 hours.
4. Test your CigaretteBuster™ to ensure everything has arrived safely and is working properly before installing. Plug your CigaretteBuster™ into an AC outlet. Turn ON the switch. Turn on the cell phone. .
5. **Light a flame 8 to 10 feet in front of the detector . Check for a text message on cell phone.**
6. Once you are sure that unit is in good working order, **turn switch OFF** until ready to install.
7. When you are ready to install, position detector for most effective coverage. This will typically be in the middle of the room at or above the ceiling. Plug detector into an AC outlet.
8. **Once installed, repeat steps #4 and #5 to test your new smoking detector again to ensure that it is working properly.**

Periodically inspect the detector to ensure that it has not been tampered with and that both grill and sensing tube are free from dirt.
